

Appl. Ser. No. 10/769,156  
Amendment Dated November 10, 2004  
Reply to Office Action of August 10, 2004

**REMARKS/ARGUMENTS**

Responsive to the Office Action, Applicants request an amendment to the specification to reflect the status of the parent application.

Pursuant to the rejection of Claims 45 through 55 and 57 through 68 under the obviousness type double patenting doctrine over prior Patent 6,722,416, as the principal reference, Applicants submit herewith a Terminal Disclaimer To Obviate A Double Patenting Rejection over prior Patent No. 6,722,416. This disclaimer is believed to overcome all of the claim rejections set forth in the Office Action. The disclaimer fee required under 37 CFR 1.20(d) is also enclosed.

This application is now believed to be in condition for allowance and an early Notice of Allowance of Claims 45 through 68 is respectfully solicited.

Respectfully submitted,

Date: 11/10/04
